WEDDINGS

Signature's private beach is intimate, secluded and breathtaking. The pristine stretch of soft sand and the gentle murmuring of the waves provide an exquisitely romantic setting for a marriage ceremony and reception.

We have a dedicated events team to help you plan your special day by facilitating any site visits or walk-throughs and overseeing deliveries and vendors setup the day of the event. We also supervise the transitions during the event to ensure elements flow seamlessly from one to another.

A bride and groom are standing by the edge of a swimming pool. The bride is wearing a white, long-sleeved wedding dress with a full skirt, and the groom is wearing a dark suit with a red boutonniere. They are surrounded by lush tropical vegetation, including palm trees and large green plants. The pool's edge is decorated with a blue and white mosaic tile border, and the water is clear blue. A semi-transparent white box with blue text is overlaid on the top left of the image.

Why not take a break from the norm and get married by our beautifully landscaped poolside by the beach? We offer privacy and an opportunity for maximum personalisation.

PRIVATE PARTIES

Invite your guests to step into Signature for your special event and feel the urban world fade away. With multiple reception areas and outdoor spaces among our 9 acres, the possibilities are limitless.
